

TOWN OF GILA BEND OFF-ROAD TRIPS

Bender Wash

OVERVIEW

Bender Wash runs straight through the center of Gila Bend going South. It's a fun local off-road experience to run in the afternoon. Bender Wash runs for about 4 miles under the I-8 and beyond.

Best time to go:

November through early April. Be sure to check weather forecast for rain as flash flooding is highly possible. Flash floods in washes and dry river beds normally occur if rain is present miles away and not necessarily at your location.

Average Time:

Depends on how fast you go!

How to get there:

This one is easy...park either at Humberto's Mexican Food or behind the Palms Inn off of Pima Street. From here you can access the wash quickly. Please note that on Google Maps, the wash is named as Pasadena Street.
